We, the parish family of Our Lady of Hope, commit ourselves to continue the mission of Jesus Christ, to proclaim His Gospel, and to love one another as He loves us. We are a welcoming community of faith, guided by the Holy Spirit and centered on God's Word and the Eucharist.

Through the Sacraments, prayer, and the stewardship of our God-given gifts, we provide opportunities to grow closer to God and to serve members of the community.

## Our Lady of Hope This Week

### THIS IS MY BELOVED SON, WITH WHOM I AM WELL PLEASED; LISTEN TO HIM

“The word of the Lord” is something we hear in church, perhaps without giving it much thought. Peter and Daniel both remind us that the words of Jesus we hear in Scripture are none other than the words of the beloved Son of the Ancient One, who is the Most High over all the earth. We would do well to pay close attention to these words.

2017 FAITH Catholic-Publishing and Communications

### LITURGY OF THE WORD

In the first reading, the Prophet Daniel observes the Ancient One on His throne, to whom is presented one like a Son of Man who will receive everlasting dominion. The second reading reminds us that Jesus is the beloved Son of the Father. In the Gospel, Jesus takes Peter, James and John up the mountain where He is transfigured. The disciples then see Moses and Elijah conversing with Him.

### STEWARDSHIP THOUGHT FOR THE TRANSFIGURATION OF THE LORD

Seeing Jesus transfigured made Peter want to **do** something to mark the event. But the Voice from the cloud said clearly that the first task of those who recognize Jesus as Lord is to **listen** to Jesus—and then **act!**

### Our Lady of Hope Church

Rev. Thomas V. Arnao, Pastor

## One Minute Meditations

### St. Rose of Lima

Born in colonial Peru, Rose worked constantly to help her poverty-stricken family. From early on, she wanted to become a nun and practiced heavy penances. When her parents tried to make her marry, she marred her face with pepper and cut her hair to deter suitors. She became a lay Dominican, despite opposition. Concerned about the living conditions of Native Americans and slaves, she cared for homeless children, the elderly, and the sick in her home.

### Be meek, not weak.

Meekness can be mistaken for weakness, but nothing could be further from the truth. Being "meek of heart" means being in control of your emotions rather than letting them control you. Today, pray for the courage to be meek of heart.

*"If you forgive others their transgressions, your heavenly Father will forgive you. But if you do not forgive others, neither will your Father forgive your transgressions"*  
(Matthew 6:14).

## Love can make us saints

It is very Catholic to admire the saints and imagine that they had characteristics of holiness that we don't. Yet many people who became saints didn't perform great deeds but had great love of God and neighbor. If they can do it, we can, too.

St. Augustine was a playboy. He was into partying, paganism, and an immoral lifestyle. Through the prayers of his mother and the guidance of St. Ambrose, Augustine came to adore the God he discovered in Scripture. His love for God made him a new man.

St. Mary of Egypt lived a life of extreme sin. Openly a prostitute, it is reported that she traveled to the Holy

Land to ply her illicit trade to pilgrims. Instead, she had a spiritual experience while trying to enter a church and devoted the rest of her life to prayer and penance. She had a special love for Our Blessed Mother.

St. Ignatius of Loyola dreamed of courtly love and knightly deeds. Injured during a battle with the French, he was forced to convalesce to heal his shattered leg.

While recuperating, he read the only books available - biographies of Jesus and the saints. Captivated by their holiness, Ignatius became attracted to a life of holy love. He later founded the Society of Jesus (Jesuits), a religious order that thrives today.

## Why Do Catholics Do That?

## What is transubstantiation?

During Mass, although the appearance doesn't change, the substance of the bread offered by the priest is changed into the substance of the Body of Christ. The same is true of the wine - its substance is changed into Christ's Blood.

Catholics believe that the words Christ said at the Last Supper, "This is my Body,

*this is my blood,*" meant that really and physically the bread and wine became his Body and Blood. He decreed that it be so.

# Live a Catholic life

Our history is rich with Catholic men and women like us who have carried their faith into the world and made a difference. When we live a Catholic life, we help shape a better society and a more peaceful world.

**At home.** Our Gospel values guide us to value our families and friends as gifts of God's love. This translates into spending time together, working to strengthen and build up our loved ones, and being for them instruments of love.

**At work.** As people of faith, we can be pressured to choose **That is the true Catholic way.**

between competing values in the workplace. Making Catholic choices means not just avoiding evil but consciously choosing good. It means having the courage to honor our Catholic consciences always.

**In the world.** "Everyone to whom much is given, of him will much be required" (Luke 12:48). Catholics – especially in the United States – are called to care for the poor, protect the vulnerable, welcome the stranger and treat all people with dignity.

## from Scripture

### Matthew 16:13-20, The Rock for ages

The events in this passage lay the foundations for the Catholic Church. In it, Jesus asked his disciples who people said he was. Then he asked them, "Who do you say that I am?" It was a question about Jesus' identity, not his teaching or his popularity. At its heart, Catholicism centers around who Jesus is.

Simon Peter answered for the group and identified Jesus as the Son of God, the Messiah. Jesus pointed out that it was only by divine inspiration that Peter could know this. ("Blessed

are you, Simon son of Jonah. For flesh and blood has not revealed this to you, but my heavenly Father" Matthew 16:17.)

Jesus changed Simon's name to "Peter," meaning "rock." By this change, Jesus signaled he was building his Church on a rock-solid foundation – on the confession of Peter about Jesus' divinity. This truth has been handed down through the ages, from the Apostles to the bishops to us. The Holy Spirit would lead Peter – and his successors, the popes – to speak and act in truth as the head of the Church.

Holy Spirit would lead Peter – and his successors, the popes – to speak and act in truth as the head of the Church.

## Q & A How can Sacred Scripture be "truth" if not everything is correct?

The Bible is intended to convey truths about God. More than a book, it is a library of documents written by different authors in different times and places. These works have been compiled by the Church under the guidance of the Holy Spirit, according to specific criteria. Like any library, the Bible contains a variety of literary genres: poetry, history, biography, etc. Knowing this can determine how we read it. For example, a poem may not be meant to be as factually accurate as a biography.

Finally, there are various ways in which to interpret Scripture, and each highlights different aspects of the truth. The literal sense deals with what the author wrote. The allegorical sense highlights the symbolism of the people and events in the story. The moral sense tells us what we ought to do regarding God and our neighbor. The "future" sense concerns what will happen at the end of time. These different senses give us a fuller understanding of God and his plan for us.

## Feasts & Celebrations

**August 3 – St. Peter Julian Eymard** (1868). Born in France, Peter was ordained a Marist in 1834 and was especially effective at preaching at Eucharistic devotions. He founded the Congregation of the Blessed Sacrament and the Servants of the Blessed Sacrament to increase devotion to the Holy Eucharist.

which Christ appeared radiant in the company of Moses and Elijah, and a voice was heard to say, "This is my beloved son, with whom I am well pleased; listen to him" (Matthew 17:5).

**August 15 – Solemnity of the Assumption.** Declared a dogma of faith in 1950 by Pope Pius XII, this Holy Day of Obligation celebrates Mary being taken up into Heaven body and soul at the end of her life. "A great sign appeared in the sky, a woman clothed with the sun, with the moon under her feet, and on her head a crown of twelve stars" (Revelation 12:1). Mass attendance on this day is required.

**August 6 – Transfiguration of the Lord.** Tradition says that Mt. Tabor was the site of the Transfiguration during

### Parents' Freedom of Conscience vs State & Doctor Assisted Dying

**Two Cautionary Tales:**

**England:** Charlie Gard, an 11 month-old baby born with a rare genetic disease, died on July 28 after being removed from his ventilator despite his parents' objections. For many months they had petitioned the courts to release Charlie from the hospital in order to seek experimental treatment in America. However, the hospital argued in court against the rights of Charlie's parents to decide their son's course of care. English and European courts ruled that the hospital could block his parents' wishes and pull Charlie's life support.

Then, mounting public pressure plus the support of Pope Francis and President Trump caused the court to request that an American specialist come to England to examine Charlie. Unfortunately, this examination was a few months too late since Charlie's muscles were too significantly deteriorated for treatment to help. Had Charlie been allowed to be examined sooner, his parents said, he would "have had the potential to be a normal, healthy little boy." They lamented "a whole lot of wasted time."

**Los Angeles:** On August 25, 2016, 2-year old Israel Stinson was removed from a breathing ventilator at Children's Hospital of Los Angeles, after a judge upheld the hospital's decision to remove life support against the parents' wishes. The family is "devastated," said Life Legal Defense Foundation. "They lost their son yesterday after a long, long battle for him and for his life."

## Our Lady of Hope Grotto - Memorial Garden

4"x8" engraved brick memorials are now available for the brick pavement in front of the Grotto of Our Lady of Hope on the east side of the church. The funds raised as a result of this project will be used to complete the beautiful pipe organ in the church begun in 2002. The economic down turn and emergency repairs on the church building and systems, required a delay in completing the organ. While the entire organ has been in the building since 2004, there were only funds to have 1,500 of the 3,000 pipes working. The loudest sets of pipes were installed, leaving the softer sounds to be set up at a later time. Our organ is among the most beautiful on Long Island and is very unique in that it is built of "recycled heritage" parts, many over a century old. Our organ contains the choicest pipes of organs built by the best organ makers of the late 19<sup>th</sup> century through the 20<sup>th</sup> century. The magnificent carved oak case was formed of elaborate choir stalls from a former monastery chapel. The system which operates the keyboards and pipes is run by state of the art computers. Please consider memorializing a loved one, while at the same time helping the parish complete one of its most beautiful attributes.
