## ***MISSION STATEMENT***

We, the parish family of Our Lady of Hope, commit ourselves to continue the mission of Jesus Christ, to proclaim His Gospel, and to love one another as He loves us. We are a welcoming community of faith, guided by the Holy Spirit and centered on God's Word and the Eucharist. Through the Sacraments, prayer, and the stewardship of our God-given gifts, we provide opportunities to grow closer to God and to serve members of the community.

## Our Lady of Hope This Week

### THE EUCHARIST IS ESSENTIAL TO LIFE IN CHRIST

Jesus preaches that those who eat His flesh and drink His blood will remain in Him and He in them. It is through our participation in the Eucharist that we are united most intimately to Christ. We need to eat to sustain our bodily life. We need to consume the bread of life to sustain our spiritual life with Christ.

### LITURGY OF THE WORD

Wisdom has built her house, set her table, and invited those who lack understanding to come and dine. Paul advises the Ephesians to live carefully and wisely. Jesus tells the crowds that He is the living bread come down from heaven and that all who eat His flesh and drink His blood will have eternal life.

**A plea from the Religious Education office:**

The Religious Education office hopes you will hear the calling and join us as a **catechist** to help our children foster growth of Catholic moral principles and to inspire them to build a deeper relationship with God.

The Goal of Our Lady of Hope Religious Education program is to provide children in our parish with the opportunity for spiritual growth through instructions, nurturing and family involvement. In doing so the children and their families will deepen their relationship with God, enhance their sense of belonging to the church community and will share their gifts and talents with others whom they meet along their spiritual journey.

It is with this goal in mind that we are asking our parish families, friends and relatives to pray and look within their hearts to teach their faith and traditions of the Catholic Church. By becoming a catechist you are helping our children to focus on Jesus, the source of self-giving and sacrificial love, and help them to grow into the kind, generous, compassionate and prayerful people God has called them to be.

## OUR LADY OF HOPE ROBOTICS TEAM

Our Lady of Hope has developed a robotics youth program that is scheduled to begin Sunday, September 15th from 12:30PM – 2:30PM. This program will challenge students to design, construct, re-engineer, program, and test robots to compete with other MS/HS students in the Southern NY Vex Robotics Program. Working in groups, students will develop engineering manuals to keep detailed information on the design, construction, programming, and changes in the development of their robot.

Each Vex robot will have 4-5 students working to compete in the Vex Robotics Competition tasks. Vex Robotics is a STEM program and the world's fastest growing robotics competition for MS/HS students. Our Lady of Hope's program will reinforce students' abilities to problem solve and learn through the development and troubleshooting process.

Each session will be taught by a NYS Certified Technology Education teacher with the assistance of mentors and programmers, who all donate their time and talents to promote STEM hands on project based learning. Parental assistance is appreciated to assist students with their learning activities as well as supervision.

There is a \$75 fee associated with the program. The remainder of the cost to support the program is covered by Our Lady of Hope and a grant from the Frank J. Antun Foundation. If you would like to make additional donations to defray further costs to Our Lady of Hope, please feel free to do so. If you have any questions you can contact the program organizer, Mr. Donald Schaefer, at (516) 996-2051 or [donald\\_schaefer@hotmail.com](mailto:donald_schaefer@hotmail.com)
